Types of Words Allowed

Any word (noun, verb, adjective, adverb, etc.),
plural of, form of, or tense is acceptable as long as
it can be found in a standard English dictionary.
Proper nouns (Smith, Ohio, France, etc.) are not
allowed. Words within words are also permissible:
spare, spa, par, are, spar, pare.

Scoring and Winning

When the timer runs out, all players stop writing.
Each player in turn then reads his/her list aloud.
Any word that appears on more than one player's
list must be crossed off all lists—and no one gets
credit for it!

Players score their remaining words as follows:

NO. OF LETTERS	3	4	5	6	7	8	or more
POINTS	1	1	2	3	5	11	

The winner is the player 1) who earned the most
points when play stopped or 2) who is the first

Things to Remember

- Do not touch the cubes or the grid while the timer is running.
- Multiple meanings of the same spelling do not earn multiple credit. Example: The word t-e-a-r, for *rip* or *cry* counts only once.
- The same word found by a player in different areas of the grid may not be counted for multiple credit.
- The QU counts as 2 letters.
- Both the M and the W have a line under them.
- The Z has a line under it and should not be read as IN.
- You get full credit for both the singular and plural of a noun—as long as you wrote down both! See Figure 1: OIL and OILS.
- For the highest score, look for unusual words that others might miss—and that will earn you more points!
